Message from the President

I hope everyone had a wonderful holiday season and were able to spend time with those family and friends who mean so much. Now it's time to get down to work on the New Year. I have asked Anna King to take on the reporting of our volunteer hours. I know I always put this off and don't write it down as I do it. If you're like me you probably got several calendars as Christmas cards or from businesses. I would suggest that you take one of those and put it some place that's handy. As you do your volunteer times, make a note of it on the calendar. You'll have it handy when Anna asks for it. Martha Vansyckle's committee on scholarships is already hard at work but I'm sure she would still appreciate help if you were interested. Those are two of the quickest things we are working with.

On January 30 the Leadership Workshop is being held in Austin. If you're a new office holder, switching offices or maybe interested in finding out more about the Republican Women, I encourage you to attend. Your reservations have to be in by January 15. Information is available on the TFRW website or give me a call at 972/679-9425. The cost is \$40 for the materials and lunch. Also on the Friday night before there is a fundraiser with Dana Perino, former White House Press Secretary for President Bush, as the speaker.

Lastly, we need a hospitality chairman to schedule our refreshments. If you're interested let me know.

Hope to see you all at the January 19th meeting at 7:00.

“You cannot legislate the poor into prosperity by legislating the wealthy out of prosperity. What one person receives without working for, another person must work for without receiving. The government cannot give to anybody anything that the government does not first take from somebody else. When half of the people get the idea that they do not have to work because the other half is going to take care of them, and when the other half gets the idea that it does no good to work because somebody else is going to get what they work for, that my dear friend, is the beginning of the end of any nation. You cannot multiply wealth by dividing it.”
